REMARKS

Applicants thank the Examiners for their time and consideration during the interview on October 5, 2006.

Claims 1-20 stand rejected. Applicants traverse each and every rejection. Applicants respectfully disagree with the rejections, however, Applicants have amended some of the claims and added claims 21-37. Sufficient support for new claims 21- 37 can be found on page 1, para 10 and page 2, para 12 of the published patent application and the original claims, as well as throughout the specification. Based on the foregoing amendments and remarks, Applicants respectfully submit that the application is in condition for allowance and request favorable consideration.

Respectfully submitted,

11/17/06
